## EDUCATION

**The University of Georgia**, Athens, GA

May 2025

- **Majors:** Bachelor of Science in Computer Science, Minor in Business
- **GPA:** 3.92/4.00
- **Honors:** Zell Miller Scholarship, Hahn Family Scholarship, Presidential Scholar (UGA Fall 2022)
- **Relevant Coursework:** Data Structures, Systems Programming, Software Development, Discrete Mathematics

## PROJECTS

**WeatherFlix, Java**

December 2022

- Developed WeatherFlix, a GUI application using JavaFx, which recommends Netflix titles based on user-entered location and current weather conditions, within a one-week deadline.
- Leveraged API integrations to gather real-time data to deliver personalized recommendations to users.
- An innovative solution that helps users select one of thousands of Netflix Titles to binge.

**Poker Game, Java**

February 2022 - September 2022

- Created a Poker Application in IntelliJ with tournament mode and range of opponents, allowing users to play until they win or run out of chips.
- Devised algorithms to determine the win order based on hand strength and accurately handle complex chip distribution.
- Showcased strong problem-solving and poker knowledge to build a user-friendly and engaging application.

**Personal Website, HTML/CSS, Bootstrap**

February 2022 - September 2022

- Built and maintained a personal website using Bootstrap and GitHub Pages, showcasing projects and a professional online presence.
- Demonstrated skills in HTML, CSS, and Bootstrap to design and layout a visually appealing and user-friendly website.
- Hosted the website on GitHub Pages, ensuring reliable access for users worldwide.

## LEADERSHIP EXPERIENCE

**Wrestling Team, Team Captain**, Peachtree City, GA

September 2020 – February 2021

- Led a 15-person wrestling team as a captain, inspiring and motivating team members to reach their full potential and achieve a second-place finish in the area competition, qualifying the team for the state level.
- Proved resilience and determination by consistently encouraging the team to push through challenging conditions and matches, ultimately lifting team morale and fostering a positive culture.
- Effectively taught and mentored newer team members, providing them with a strong foundation in wrestling techniques and strategies.

## WORK & RELEVANT EXPERIENCE

**Association for Computing Machinery, Member**, Athens, GA

August 2022 - Present

- Gather weekly to explore and learn the vast world of computing and computer science.
- Meet with guest speakers from big companies around the country such as Google & NCR that present an aspect of computer science and their use of it.

**Sake Mama, Bartender**, Athens, GA

August 2022 - Present

- Demonstrated strong teamwork skills by collaborating with a team of 10-12 people to serve over 300 customers daily.
- Maintained a clean and safe environment for customers by promptly addressing any accidents or incidents.
- Built positive relationships with customers, resulting in a 10% increase in customer return rate.

**Green Ginger, Server**, Peachtree City, GA

May 2021 – August 2022

- Illustrated strong problem-solving skills by handling customer concerns in a professional and timely manner.
- Trained new hires on service standards, menu knowledge, and company policies.
- Assisted colleagues during busy periods, resulting in a 20% reduction in customer wait times and a more positive work environment.
